

DPM Chapter 308

Student Employment Programs

Subchapter 1. General Provisions

1-3. RESPONSIBILITIES

c. **Agency Role.** The Department endorses the objectives of the student employment programs described in this chapter, particularly those which provide a source for filling hard-to-fill entry-level professional, administrative and technical positions. It is Departmental policy to include consideration of schools having predominantly minority or female enrollments when selecting educational institutions with which to establish cooperative education relationships.
